

Thank you for choosing the Florida Department of Health in Seminole County

Quality healthcare, education, safety, disease prevention and community partnerships serve as the foundation for the services provided through the Florida Department of Health in Seminole County. With a focus on health equity and quality, using customer feedback and evidence-based practices, we accomplish our mission to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.

Donna J. Walsh, MPA, BSN, RN, Health Officer

Appointments

Call (407) 665-3700 for an appointment

Dental Care

(407) 665-3346

The Dental Care Program provides services to children and limited urgent services for adults. Services may include exams, x-rays, cleanings, sealants, fillings, extractions and more. Payment options include Medicaid and self pay.

Environmental Health

(407) 665-3604

County-wide services designed to educate, regulate and inspect facilities and operations such as septic system placement, public swimming pool regulations and inspections of various institutional settings for cleanliness, safe food handling and disease control.

Immunizations/Vaccines

(407) 665-3281

Child and adult immunizations such as hepatitis A and B, Tdap, polio, HIB, HPV, chickenpox, measles, meningitis and shot records, including Immunization Form 680.

Travel Shots

Provide vaccines required and recommended for foreign travel as well as information about food and water conditions for the business and pleasure traveler.

Flu and Pneumonia Shots

Flu vaccines are available seasonally; pneumonia vaccines are available year around.

Birth & Death Certificates

(407) 665-3226

Birth Certificates issued after 1930 for the State of Florida are available. Death Certificates can be issued for deaths that occurred within a particular time frame. Please call to verify.

Office of Health Promotion and Education

(407) 665-3008

Promotes and coordinates community engagement and partnerships to offer chronic disease prevention education and screenings, hosts health observance events and assesses community specific health needs. The OHPE manages the following programs and services for our employees and community:

- Employee Wellness Program and Committee
- Grants Administration and Grants Committee
- Health Education and Community Outreach
- Healthiest Weight Florida Initiative
- Health Impact Assessments
- Health Equity
- Diabetes Prevention
