

2014 Leader of the Year
Donna Walsh
Assistant Health Officer

It is with vision and a clear communication approach that Ms. Walsh leads our organization and ensures employee talents and capabilities are recognized to support the growth of the employee and organization. Ms. Walsh leads by example by maintaining a positive attitude even when new challenges are thrown her way, She ensures accountability by staying until the job is done, taking ownership and ensuring the loop is closed. Within the months of October and November Ms. Walsh maintained the responsibility of acting Public Health Officer. Her dedication to the organization and willness to help at a moment's notice went above and beyond, Her actions and efforts produced positive results and kept the department focused on the mission, vision and values.

Donna is our face of Public Health!
