

Employee of the Quarter  
**Noemi Flores**  
RN, Health Clinic

Over the past evaluation period Ms. Flores has shown her innovation and collaboration through her pursuit of new and preservation of currently established collaborative partnerships with local physicians to provide sterilization services. She publicizes the program through various out-reach events, health fair activities and one-on-one client educational sessions. Noemi shows accountability by ensuring all Title Ten reports are completed timely and accurately. She utilizes various auditing system to monitor compliance with program requirements including review of billing forms, HMS entries and charting notations. Noemi shows her excellence, by working tirelessly within clinic to ensure a smooth flow and delivery of services. She has received numerous customer feedback forms regarding her positive attitude and willingness to help. Please help me in congratulating Ms. Noemi Flores our Employee of the Quarter

**Noemi is our face of Public Health!**
