

Leader of the Quarter
Peggy Cooke
Finance and Accounting Supervisor

It is with vision and insight that Ms. Peggy Cooke leads our billing department and ensures clear and concise communication regarding the numerous changes currently occurring within the HMO/Medicaid arena. Peggy leads by example often providing coverage so that her staff may attend trainings or special events, she ensures the job is done and often stays past normal business hours to validate all billing process are complete and accurate. Ms. Cooke leads with openness and acts as an advocate on the State level for all health departments, identifying billing issues currently affecting numerous counties, working in collaboration to overcome such issues. Ms. Cooke has helped to resolve billing issues involving a particular HMO that resulted in the receipt of thousands of dollars in owed monies to the health department. Please help me in congratulating Ms. Peggy Cooke our Leader of the Quarter!

Peggy is our face of Public Health!
