Topic	Discussion/Speaker	Action Item/Notes/Deliverable Date
<p>Welcome & Introductions</p> <p>Review of minutes</p>	<p><i>Patty Caulfield, RN, MSN, NCSN- Lead School Board Nurse SCPS- Chairperson</i> <i>Gloria ‘Gigi’ Rivadeneyra, M.S., SRAS – School Health Program Manager- FDOH-SC - Co-chair.</i></p> <p>Patty welcomed SHAC members and called for review of the minutes.</p>	<p><i>Minutes reviewed.</i></p>
<p>Guest Presenters</p>	<p><i>Dental Sealant Program- Dhanu Mistry, Dental Program Manager and Dental Hygienist, Debra Katsur Vracar, Florida Department of Health in Seminole County</i></p> <p>Dhanu and Debra explained the dental program which provides sealants to second grade students at 15 elementary schools. Dental sealants help prevent and stop decay. Parental consent is required. Over 400 students received the service last school year. The program began in 2015 with a seed grant. Sealant retention checks are conducted the following year. Application of the sealant</p>	<p>For additional information on the dental sealant program and other dental service contact Dhanu Mistry at Dhanu.Mistry@flhealth.gov ; 407-665-3602</p>

takes a few minutes and the sealant lasts up to 10 years.

**Marketplace Open Enrollment- Anne Packham, Marketplace Project Director,
Primary Care Access Network**

Anne shared that open enrollment begins on November 1st and ends December 15th. The shortened enrollment is just one of the challenges they are facing. Another challenge is confusion of the law by the general public. Many think that it has been repealed but currently everything is still in place. Anne also caution against web pages that may contain misleading information regarding ACA. Individuals can call the hotline 1-877-564-5031 to check eligibility for insurance and subsidies. Navigators are available at this number to help clients.

**Seminole County Public Schools Dining Services – Richard Miles, MS, RD
Coordinator of Nutrition and Wellness**

Richard shared the following information:

- For the first time SCPS took the lead on coordinating hurricane shelters.
- Emergency Feeding Program - Meals were provided to students at Midway and Casselberry during the week school was closed due to the hurricane.
- Following Hurricane Irma, breakfast and lunch are being provided at no charge for all students from 9/18/17 to 10/20/17.
- A Wellness Champion is to be selected at school and worksites to serve as a liaison between staff and students at their location and the district's wellness team. They will form a wellness committee and will promote, plan and implement a wellness program. Some funding will be available for adult wellness activities.
- Insider SCPS is an online platform available to share wellness information and events for staff and staff families.

For additional information or services contact Anne Packham at 877-564-5031
Coveringcfl.net

For more information contact Richard Miles at 407-320-0437.

Insider SCPS Intranet site has all of the district wellness information and calendar of events. It is accessible to SCPS employees only.

<p>Open Forum</p>	<p>School Health Services Audit- Gigi Rivadeneyra and Patty Caulfield</p> <ul style="list-style-type: none"> • Gigi and Patty shared that the Florida Department of Health will be conducting Health Services and clinic audits at four schools. This will take place October 2-4th. State audits are conducted every two years. On alternate years, audits are conducted by the Department of Health in Seminole County and Seminole County Public Schools School Health personnel. • DOH team thanked SCPS dining services, transportation and school nurses for their hard work and dedicated service during Hurricane Irma's special needs shelter activation. Nurses were very much in need and Patty Caulfield and Barbara Davenport volunteered to provide nursing support at special needs shelters. 	
<p>Round Robin</p>	<ul style="list-style-type: none"> • Martha Santoni shared that Nemours will be doing an Autism Screening Day Monday, October 30th at the Department of Health in Seminole County for children up to age 6 years old. • Katherine Beltran from The YMCA opened their doors to the public to use their facility showers and congregating air conditioned areas following Hurricane Irma. • Gigi shared that there will be a Suicide Prevention Training (QPR) and Resource Fair on October 6th at the Florida Department of Health in Seminole County. • Debbie Caudill shared that Healthy Schools, LLC will be providing flu vaccines again this year for students. This year's registration has been online as opposed to previous paper forms and there have been reported difficulties for parents signing up. This could be an explanation for the reason of low numbers signed up so far. • Freddie Nieves stated that the Seminole County Public Schools Crisis Team has been called upon on numerous occasions already this school year. The 	

	<p>team is comprised of Social Workers, Psychologists and Nurses and meet with students and staff as needed following a crisis.</p> <ul style="list-style-type: none"> • Herronda Mortimer is the new DOH-Seminole Healthiest Weight Program Coordinator. Their team has been scheduling several A1C screening events. As new events are coordinated, she will share with the group. • Mary Lane shared that the State has amended the physical education 1 credit requirement so that students who participate in a JV or Varsity sport, are waved the PE required credit and are not required to take physical education. This may impact the comprehensive education students received via physical education and reduce the need for physical education teachers. • Erica Asti shared that the Mission Fit program is ongoing. Their team continues to provide the education program in the community and is currently booked, but will have openings available in Spring. Mission Fit program includes 5 facilitated visits, targets 1 grade at a time, and is currently being offered in extended day and elementary schools. <p>Members can share upcoming events via e-mail with Gigi to send out to the SHAC members.</p> <p>Schedule of SHAC Meetings for school year 17-18: November 16, 2017 February 22, 2018 April 19, 2018</p>	<p>For information about school health services, or to share speaker suggestion for future SHAC meetings to Patty Caulfield or/and Gigi Rivadeneyra patty_caulfield@scps.k12.fl.us ; Gloria.Rivadeneyra@flhealth.gov</p> <p>Please share upcoming events/flyer via e-mail with Gigi for distribution to SHAC members.</p>
<p>Meeting Adjourned</p>	<p>3:30pm</p>
