

THIRD ANNUAL

Amoeba Summit 2017

FRIDAY, SEPTEMBER 29, 7:30 AM—3:00 PM
REGISTER TODAY! FHCME.COM

Join clinicians and specialists as we launch a national and international movement to end deaths from Primary Amebic Meningoencephalitis (PAM) through workgroups in: (1) prevention and awareness, (2) early detection and treatment, and (3) research.

**AT FLORIDA HOSPITAL CHURCH | 2800 NORTH ORANGE AVENUE
ORLANDO 32804 | SPONSORED BY FLORIDA HOSPITAL FOR CHILDREN**

AWARENESS

TREATMENT

RESEARCH

THE EVENT WILL BE STREAMED LIVE
AT HOSPITALCHURCH.ORG/LIVESTREAM.

PRESENTED BY **JORDAN SMELSKI**
FOUNDATION FOR AMOEBA AWARENESS

The Jordan Smelski Foundation for Amoeba Awareness was established in loving memory of Jordan Cole Smelski who passed away from Primary Amebic Meningoencephalitis (PAM) on July 2, 2014. *Naegleria fowleri* is an amoeba found around the world, often in warm or hot freshwater, such as lakes, rivers and hot springs, and, if contracted through the nose, can lead to PAM. The foundation's primary goal is to increase awareness to the public about the risk associated with amoebas in fresh, warm waters and to inform the public of best practices for the prevention of PAM.

The Third Annual Amoeba Summit 2017 is accredited by the Florida Medical Association to provide continuing medical education for physicians. The AMA PRA Category 1 Credit™ designates the amoeba summit for a maximum of 5 credits. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Florida Hospital is accredited by the Florida Medical Association to provide continuing medical education for physicians. Florida Hospital designates this live activity for a maximum of 1.00 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
