

Revive Awareness Day

YOU SAVE CAN A LIFE

Prevent Overdose
Carry Naloxone

JOIN US

The Florida Department of Health in Seminole County in collaboration with Seminole County Government invites the public to attend the Revive Awareness Day Town Hall to learn more about how to spot the signs of an overdose, how to use naloxone to reverse the effects of an overdose, what resources and programs are available to support individuals with substance use disorder and a discussion on how to further combat the opioid epidemic.

June 6, 2025
10 a.m. - Noon

**Florida Department of Health in Seminole County
Auditorium
400 W. Airport Blvd. Sanford, FL 32773**

WHAT IS NALOXONE?

Naloxone is a medication that rapidly reverses an opioid overdose by attaching to receptors in the brain and reversing and blocking the effects of the drug.

HOW CAN I HELP?

If you know someone in need, carry naloxone and learn to administer safely. Locate naloxone providers in your area and additional resources for community support. Visit [iSaveFL.com](https://www.isavefl.com).
