

Thank you for choosing the Florida Department of Health in Seminole County

Quality healthcare, education, safety, disease prevention and community partnerships serve as the foundation for the services provided through the Florida Department of Health in Seminole County. With a focus on health equity and quality, using customer feedback and evidence-based practices, we accomplish our mission to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.

Donna J. Walsh, MPA, BSN, RN, Health Officer
