ASTHMA EDUCATION

The Florida Asthma Education Program is a free service offered to help children and families gain control of their asthma.

Services include:

- At-home visits conducted by trained community health workers
- Home assessments to identify and help eliminate asthma triggers
- Asthma action plan for work, home, and school

For more information on **asthma**, call **407-665-3032** (Bilingual).

COMMUNITY OUTREACH

The outreach team provides resources, education, and basic health screenings in various locations throughout Seminole County. Basic health screenings include:

- Body Mass Index (BMI)
- Blood Pressure
- Oxygen/Pulse
- Diabetes Testing (Blood Sugar Level)

To find the nearest date and location, call **407-665-3026** (English)

DIABETES EMPOWERMENT EDUCATION

The Diabetes Empowerment Education Program, also known as DEEP™, is an education curriculum designed to help people with pre-diabetes, diabetes, relatives, and caregivers gain a better understanding of diabetes self-care. The program includes information about:

- Improving and maintaining the quality of life in persons with pre-diabetes and existing diabetes
- Preventing complications and incapacities
- Improving eating habits and nutrition
- Developing self-care skills
- Utilizing available resources

For more information on **DEEP**, call **407-665-3026** (English)
